Subject: Summary of Planned Service Outages 10/05/2018

Notice Text: The following 2018 Maintenance and Construction Summary has been developed by Texas Gas to provide notice of anticipated activities that may impact available capacity on the Texas Gas system. This summary is based upon the best information available at the time of preparation and posting. However, many factors may affect these anticipated activities. Accordingly, additional items may be added and scheduled dates may change. Texas Gas will continue to monitor plans for these activities and will post updates as information becomes available.

Subject:

Maintenance - Greenville Compressor Station

Start Date: 9/24/2018 9:00 AM

End Date: 10/6/2018 9:00 AM

Affected Capacity:

Texas Gas will be performing turbine inspection at the Greenville Compressor Station. Capacity will be limited to 600,000 MMBtu south through the station for the duration of the maintenance.
